If moored at Charleston Boat Club will you need electrical power: Yes _____ No _____

It is understood that should I desire mooring space for my boat, I must apply for such space by special application to the Chairman of the Mooring Committee.

I understand that if I moor a boat at the Club I must maintain insurance on my boat and provide such certification to the Club that names the Charleston Boat Club as an additional insured. Failure to provide the required insurance documentation may result in exclusion from mooring privileges and/or termination of membership.

I understand that in addition to the initiation fee, current dues are \$350 per year, payable by July 1 annually. For any boat moored at the Club, an annual fee is charged. Mooring rates depend on the size and location of the slip.

I specifically agree and stipulate that the Charleston Boat Club shall have a lien on any boat that may become indebted to the Club while I am a member, such lien to be similar to the statutory lien of a garage for the storage of an automobile, and to be enforceable by the same procedure available for the enforcement of such a storage lien, or otherwise as may be allowed by law.

I understand that as part of the application and membership approval process, I may be invited to a monthly meeting of the Boat Club to introduce myself to the organization and meet the Board of Governors and members. With the application, I will present a check in the amount of \$250 for the required initiation fee, with the understanding it will be returned to me if my application is not accepted.

I further understand by signing this application that I have been presented with and acknowledge receipt and understanding of the By-Laws and House Rules of the Charleston Boat Club Inc.
