Dear Applicant,

Thank you for your interest in the Charleston Boat Club.

Our Club was established in 1938. Its objective is to encourage the sport of boating and to provide and maintain a suitable Club House and dockage facility for the recreation and use of our members and their guests. It is the premier maritime organization in the region.

The process for consideration for membership begins with the attached application. Please fully complete the application. If you know any current members of the Club, please be sure to list them on the application.

With your application, you will be required to submit a check for \$250 for the required initiation fee, with the understanding it will be returned to you if your application is not accepted. Please mail the check and completed application to **Membership Chair, 3600 Kanawha Ave, Charleston, WV 25304**. If you have any questions, please contact the harbor house at 304-325-6571, they will get you in contact with the Membership Chair.

After the initial application and initiation fee is received, it will be reviewed at the next meeting. If you do not have a sponsor, you will be invited to a monthly Charleston Boat Club meeting. You will meet the officers and members of the Club and briefly introduce yourself and convey your interest in joining the Club.

If your membership application is approved, you will be required to pay Club dues which are currently \$350 per year. The dues year begins on July 1 each year. The first-year dues will be pro-rated.

Also, if your membership application is approved and you are interested in mooring space for your boat, you must apply for such space through the Chairman of the Mooring Committee. Slips that are available or become available are awarded through a bidding process based on seniority. Additional information will be provided if approved.
